

State Slices TCC Capital Funds Request

Tacoma Community College's request for \$2.1 million in capital funds during the 1969-71 biennium has been sliced to \$1.2 million, TCC's Board of Trustees learned Aug. 22.

This means that a 16-classroom building, an addition to the cafeteria and an addition to the business office won't be built, one of two television studios in the Instructional Resource Center won't be equipped, and \$125,000 worth of landscaping won't be accomplished.

Dr. Thornton M. Ford, TCC president, told the trustees that the state board trimmed \$889,307 from TCC's "rock-bottom" request.

"Even with the \$1.2 million, we are not going to be able to keep up with projected enrollment," Dr. Ford said. "This is not a reasonable approach . . . but we'll have to make do."

Two men work on the landscaping that the state allocation will cover.

What the \$1,211,172 allocated to TCC will provide is:

—\$123,700 for equipping and furnishing existing buildings, mainly the Wanamaker Instructional Resource Center.

—An \$80,000 maintenance building.

—A \$667,985 second science building.

—\$289,487 for a third faculty office building. \$50,000 for landscaping.

The present 19-building campus was built for about 2,500 full-time-equivalent students — a figure that this year's enrollment will probably reach.

Dr. Ford told the Trustees that the college will seek restoration of the cuts. "We haven't given up," he said.

Bill Kageler Delivers Speech At Freshmen Orientation

"The youth of today are facing some of the most dynamic times this world has ever seen."

"We hear talk on college campuses of violently overthrowing the system. We hear talk of anarchy. We are told by some youthful leaders that this country is no longer acceptable to live in and must be destroyed."

The preceding is part of a powerful speech delivered by Associated Student Body President Bill Kageler to the freshmen at orientation last week.

The following are more excerpts from the same speech that rate consideration.

"I disagree with the violent measures being suggested by these kinds of people, but I do agree that change is necessary. It is not acceptable to me as an American living in a so-called Christian democracy to watch on television a convention that is run with police tactics. It is not acceptable to me to see fellow Americans having their heads bashed in because they disagree with the Establishment's policies. It is not acceptable to me to see fellow human beings forced to live in the most inhuman conditions because their color or status is different than mine.

"And this is one of the reasons I stand before you today. I came to the conclusion that violent overthrow would only lead to further violence, and the best way to bring about change is to place myself in the most effective position I could within the system and bring change from within.

MARGRIT VON BREDOW WED THIS SUMMER

Wedding bells rang in Milwaukee, Wis., Sept. 2 for Mrs. Joseph Alfred Zimmerman, Jr., nee Margrit Alice von Bredow.

Mrs. Zimmerman is instructor in German here at TCC. Mr. Zimmerman is an attorney in Seattle.

The wedding was held in Immanuel Presbyterian Church in Milwaukee.

"This year we will be dealing with issues on this campus that will affect all of us. Student power is a question in many people's minds. The students on this campus are a smoldering force that has yet to come to the surface. For your student government to be effective they must have the help and cooperation of the student body. This only you can supply, and the best way to supply it is to be come involved."

IN MEMORIAM: LLOYD F. JAKEMAN (1914—June 1968)

Professor of Mathematics at Tacoma Community College.

Helped set up IBM system at TCC.

Graduate of the Naval Academy at Annapolis.

Retired from the Navy in 1957 as captain.

Received Masters Degree in Mathematics at Purdue University.

'London Fog' and 'Saints'

Two Bands Booked For Dance

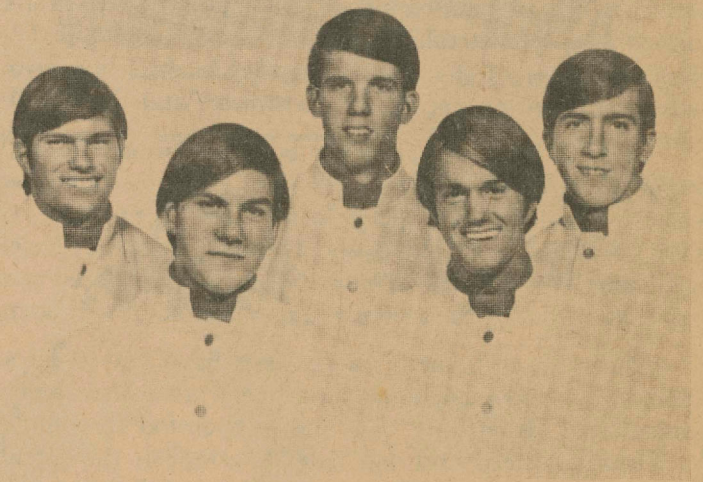

The freshmen will have a chance to get acquainted while the sophomores scope all the new freshmen girls at the annual Howdy Dance tonight from 10:00 to 1:00 in the Tacoma Community College gymnasium.

Providing the music for tonight's dance are two rock groups, the "Saints" and the "London Fog."

Chairman for the event is Kathy Williams. Other committee chairmen are Julie Bender, set up and clean up; Patty Lauterbach and Dave Murphy, publicity and Kelly Halligan and Mike Freeman, tickets.

The dance is open to all TCC students and guests with college identification cards.

Admission price is \$1.25.

The London Fog will be one of the groups playing at the Howdy Dance Tonight.

Black Students Organize Obi Society

Editor's Note: Frederick Lowe is a member of The Collegiate Challenge. He is also Minister of Information for the newly formed Obi Society (Obi means "soul" in Swahili) which was formed this summer by black students at Tacoma Community College. The opinions expressed in it are not necessarily those of the newspaper.

By Frederick Lowe

The opening sentence of the Obi philosophy states, "We, as Black students of Tacoma Community College, form the Obi Society for the purpose of developing the Black Man culturally with the aim of establishing Black awareness on campus and in the community."

Organized during the summer quarter, the Obi philosophy of Black awareness is to tell America of the injustices done to the Black Man in America, and to remedy these injustices by any means necessary.

The purpose of the Obi Society, is to work for the inalienable rights of the Black Man, the same rights given to all men as human beings, but denied the Black Man in America for 400 years. Obi is established to challenge and reform the American system, which is freedom and equality for the White Man, and systematic exclusion and deprivation of the Black Man.

On the TCC campus, Obi will work to see that the Black Man, his ideas, his heritage and his culture be established in every facet of studies and campus life to show the Black Man as intricate builder in America, in order to bring about pride in being Black and create better race relations and understanding between Blacks and Whites.

The Obi Society is established to undo what white America has done for 400 years — whitewash and demoralize the Black Man.

In the land of liberty, freedom and equality, the White way is taught to be best, and is the only way of freedom, liberty and equality in America. White America has stolen or completely overlooked what the Black Man has contributed to the world and to the American society. The Black Man has been brainwashed of his heritage, culture and ideas, forced to live in slums, take low-paying menial jobs, have his children taught by second-rate teachers in second-rate schools and be told continually he is not a man, because he is not White.

The objectives and goals of the Obi Society are to give the Black mind a chance to develop with pride in color, heritage and culture, and to go back into the Black community and help other

FEB 22 2000

Bill Kageler Lists Accomplishments

At the end of spring quarter 1968 I was campaigning for the position of Student Body President of Tacoma Community College. At that time I made some suggestions to the students dealing with the betterment of this campus. I have been working on some of these proposals during the summer. At times I have had some success, but the general rule has been a disregard of student requests.

We began the summer attempting to have Building 15 redesignated as a Student Union Building. The purpose in this was to draw student activities into a position where they would be more available to the students. After discussing this proposal with the administration, it was decided that for fiscal reasons they could not make building 15 available to the students. Also, there was a problem with the instructional area. The increased enrollment at TCC created a situation in which the classroom space in building 15 had to be utilized. For these reasons the proposal to use Building 15 as a Student Union Building was reconsidered and deemed unacceptable at present.

The issue of a Student Union Building for Tacoma Community College did have some action taken upon it. The budget committee moved it up to fiscal year and enlarged the money request.

To create a better atmosphere between the newspaper and student government we are appointing a coordinator to act as a "go between" for the paper and for government. This person will help the newspaper keep the students better informed as to events taking place on campus and will, I hope, eliminate some of the confusion that existed last year between organizations, student government, and the Challenge.

Also, to keep the students better informed we will attempt to have an accurate GASTCC agenda published at least twenty-four hours prior to a GASTCC meeting. GASTCC meetings are held every Thursday at twelve o'clock. It is sometimes difficult to have the agenda completed twenty-four hours prior to the meeting, but the attempt will be made.

There are still many issues that have yet to be acted upon. The school calendar, withdrawal procedures and reorganizational structuring have been appointed to committees by President Ford and will help to establish the directions taken in the future. These committees will have student representation. If there are any students interested I hope they will contact me.

Parking on campus is an issue we have yet to discuss with the administration, but it is not forgotten. I hope to speak with the proper people in the near future and hope that students will give me suggestions that I may offer to these people. Registration procedure is another area in which there has been a noticeable lack of student participation. This should also be examined and if possible student involvement should be solicited.

These are some of the major issues on campus that were being discussed during spring election. On a few of these issues no action has been taken. Others have only had partial consideration and still others were deemed unfeasible at the present time. All of these things affect students directly, therefore, the students voice should be heard. Your student government is only as effective as you want it to be. Without your participation we will continue to see issues that affect students being handled with a lack of student involvement. We will continue to work in the interest of the students but our voices are only as strong as you, the students of TCC make them. We need your help to be effective. If you have any questions, feel free to come to Building 6 and speak to any of the student government officers.

'No-Red Tape' Courses Offered

A line-up of 21 courses designed for people who are interested in learning without red tape will be offered this fall by Tacoma Community College.

H. J. Schafer, director of community services at TCC, said the eight-week courses carry no grades and involve no credits and no prerequisites.

The courses, which begin the week of Sept. 30, will meet one night a week from 7 to 9:30 p.m. The cost is \$10 per course.

Monday evening courses include:

"Indian Culture," taught by Pramrod Gadre; "Movements Within the Black Revolution," the Rev. E. H. Hankerson; "Psycho-cybernetics," Philip Stovin; "In-

vestments: Stocks and Bonds," Robert Glueck; "Ceramics," Rich Rhea.

Tuesday evening courses will be:

"Astrology," taught by George Harper; "African Culture," George Obiozor; "How to Invest in Real Estate," Robert Sterling; "Print-making," Frank Dippolito; "White Racism and American Social Systems," Jerry Vaughn.

Courses offered Wednesday evenings will be:

"Oriental Religions," taught by Gadre; "Jazz and Blues, Past and Present," Ken Wiley; "Geology: Rocks and Minerals," Jack Hyde; "Principals of Health and

Life Insurance," Paul Harwick; "Philosophy and Common Sense," DeVon Edrington; "Interior Decorating," Nora Taylor.

Thursday evening courses will be:

"The Role of the City in Changing Society," taught by Tacoma City Manager David Rowlands; "Astronomy," Harper; "The Sexual Revolution: A Sociological Perspective," Luther Jansen; "Principles of Advertising," Don Loth; and "Music Fundamentals for Church Choirs," J. Allan Clarke.

Additional information and registration blanks are available from Schafer's office at TCC.

Dates Fixed For Elections

The Nominating Campaign Coordinating Committee has set the dates of Oct. 9 and 16 for the fall elections. A total of nine positions are open in this election — two in the sophomore class and all seven freshman class offices. The two sophomore class offices open are: Secretary-Treasurer and one sophomore representative. The freshmen will elect a president, vice-president, secretary-treasurer and four representatives.

Any student who wishes to run for an office is welcome to do so. Those who do decide to run should go to the GASTCC office in Building 6 to pick up a petition and other materials. The final date for filing petitions is Tuesday, Oct. 1 at 4 p.m.

All candidates will meet Oct. 2 at noon in the GASTCC meeting room (Building 6, Room 1) to discuss campaign rules and to officially begin their campaigns.

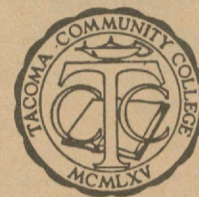

The hours for both the primary and general elections will be 8 a.m. to 9:30 p.m. Oct. 9. Two polling places will be open, one in the main hall of the library and the other in the cafeteria. All students are asked to bring their Student Identification Cards and VOTE! General election will be Oct. 16.

Play Tryouts To Be Held

Tryouts for the six arts in Herb Gardner's uproarious comedy, "A Thousand Clowns," will be held at 7 p.m. Thursday and Friday (Oct. 3 and 4) in the Little Theater.

Charles Cline, drama instructor, said the cast of the popular play about a nonconformist's nonconformist consists of four men, one woman and a 12 year old boy.

Performances are scheduled for 8 p.m. Nov. 13-17 and 2:30 p.m. Nov. 17 in the Little Theater.

GIVE THE UNITED WAY

AWS Presents Tea and Fashion Showing

These three lovelies, (from left to right) Patty, Gwen and Diane modeled outfits suitable for fall, winter and spring.

Fall fashions for campus wear were modeled when the Associated Women Students of Tacoma Community College held a fashion show and freshmen-faculty tea at noon Sept. 25.

Models were Gwen Lang, Julie Bender, Patty Meade, Brenda Truitt, Carol Allen, Penny Meyers and Diane Constance. Sue Schneider provided the commentary, and escorts were William Kageler, Aaron Bobo and Don Martonik.

Janet Tollefson sang two numbers, "Alfie," and "In My Own Little Corner." Her accompanist was Paul Richardson.

Miss Bender served as chairman for the annual event. Assisting her were Sue Hunt, refreshments; Tracy Hoffman, decorations; Patty Meade, program; and Carla Wilcox, wardrobe organizer.

Misses Hunt, Hoffman and Wilcox served at the reception, which preceded the fashion show.

Julie and Carol modeled these lovely outfits suitable for fall and winter wear.

'Sports Stay Same' ... Percy

"No new sports will be initiated on campus this year."

Tacoma Community College's Athletic Director Loyd Percy explained that the Associated Student Body did not feel they could afford to add any new sports. With scholarships, TCC hopes to improve all their sports they now have.

Percy is in charge of all budgeting, purchasing and scheduling for TCC athletics, including intramurals.

Cross country will be the only fall sport. Ed Fisher will be the head coach. The big improvement for the team will be the addition of TCC's own three-mile track which will be located in back of the gym.

Coaching the Titan basketball team will be Don Moseid. The team will have four returning lettermen and many hopeful new additions. This year's home games will be played in the TCC gym.

In the spring, TCC will field three athletic teams. Fisher will head the track team. Heading the linksmen will be Coach Robert Dezell. His squad placed second in the league last year and will have three returnees this year.

Harland Malyon will again coach the Titan tennis squad. His first year team placed second in the state last year.

Bookstore Hours

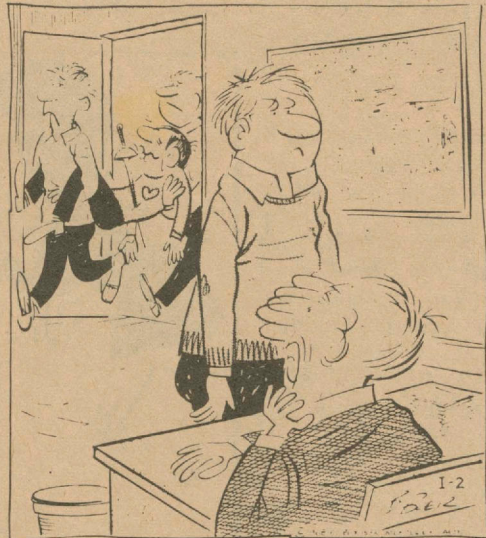

The TCC Bookstore's hours will be 8:30 a.m. to 4 p.m. through Sept. 20. Mrs. Mary Pattee, manager, announced.

For two weeks, beginning Sept. 23 and continuing through Oct. 4, the bookstore will be open from 8 a.m. to 8:30 p.m. Monday through Thursday and from 8 a.m. to 4 p.m. on Fridays.

On Oct. 7 the bookstore will resume its regular business hours — 8:30 a.m. to 4 p.m. Monday through Friday and 6:30 to 8:30 on Tuesday and Wednesday evenings.

The bookstore is located in Building 6.

LITTLE MAN ON CAMPUS

"I'M SORRY BUT ALL SECTIONS OF BADMINTON ARE FILLED, TENNIS SECTIONS FILLED, BOWLING FILLED — BUT WAIT — I BELIEVE WE HAVE AN OPENING IN FENCING."

Black Students Form Society

(Continued from Page 1)

Brothers and Sisters develop the same way. During the course of the academic year, Black artists and lectures will be brought to the campus by Obi to perform and show the Black and beautiful aspects of various arts, and to speak on the long hidden Black heritage, and the meaning of the Black Revolution.

To enhance and keep Black awareness real and established at TCC, Obi has proposed seven demands to the administration and a \$5,525 budget for the 1968-69 school year. The demands of Obi are as follows:

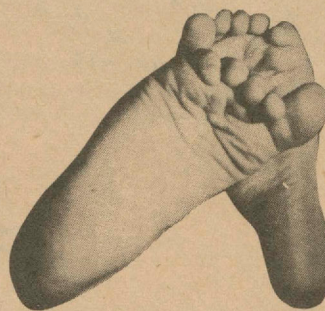

1. Begin an immediate establishment of Black culture subjects to the curriculum that are accredited.
2. Begin recruitment of Black advisers and instructors.
3. Provide financial aid to underprivileged Black students.
4. Provide finance for recruitment of Black students.
5. Eliminate the reflection of systematic exclusion in hiring of service personnel. We request the hiring of at least six maintenance personnel.
6. Present all Black persons that are considered for hiring at TCC for approval to the Obi Society.
7. Provide Obi with necessary office space for Obi to carry out the task.

TCC Adds 20 New Staff Members

To handle an increasing enrollment and still offer an expanding curriculum, 20 new members have been added to the Tacoma Community College staff for the 1968-69 school year.

The new staff members' appointments are as follows:

Edward A. Zimmerman of Moscow, Idaho as instructor in mathematics.

Charles F Cline, previously an instructor at Gonzaga University, as instructor in speech and drama.

Yun Yi Ho, a native of China and a graduate of the National Taiwan University, as instructor in history.

Frank E. Witt, formerly a teacher at Curtis High School, as biology instructor.

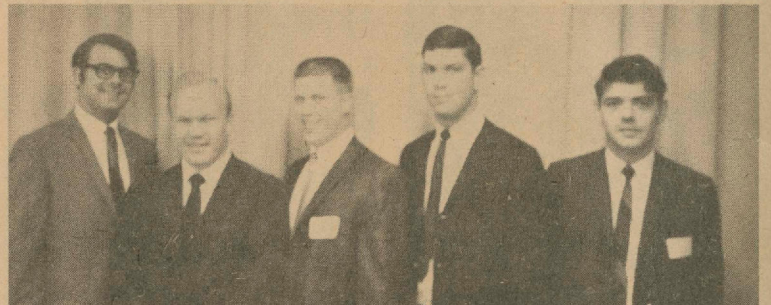

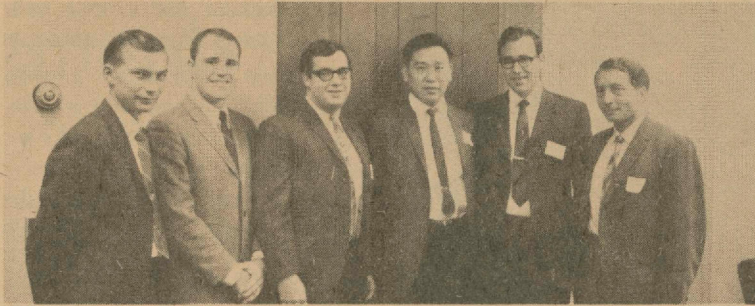

Vernon Hess, who received his Master's degree at Stanford, as English instructor.

Gary Sigmen, who received his Master's degree at Washington State University as instructor in economics.

John Swarthout, who received his Master's degree at Indiana University, as political science instructor.

Paul B. Clee of Seattle, as instructor in English.

Murray Morgan, formerly a radio news broadcaster and

Across the top from left to right are Wil'iam Wittenfeld, George Jansen, John Swarthout, Yun-Yi Ho, Kenneth Gentile, Devon Edrington, William Jaech, Ronald Lundquist, Harry Woodward and William Muse. In the lower photos are Edward Zimmerman,

Frank Witt, Frank Dippolito, Murray Morgan, Vernon Hess, Paul Nesbitt, Gerald Shullenbarger, Charles Cline, Gary Sigmen and Paul Clee.

Northwest author, as instructor in history and English.

George Jansen, previously a social studies teacher at Puyallup High School, as financial aids officer.

Gerald Shullenbarger, formerly school psychologist for Yakima public schools, as head of testing and study skills.

DeVon Edrington, who taught at Wilson High School and the University of Puget Sound, as philosophy instructor.

Paul Nesbitt, who attended Washington State University from 1966-68 on a teaching fellowship in anthropology, as anthropology instructor.

Harry Woodward, who received his M.A. at the University of Min-

nesota this year, as instructor of English.

Warren Jaech, reviously with Tacoma Public Schools for 12 years, as mathematics instructor.

Kenneth Gentili, who taught high school in Ethiopa from 1966-68, as instructor in physics.

Frank Dippolito, who was born in Tacoma and attended Stadium High School, as art instructor.

William Wittenfeld, formerly a teacher at Olympic College, as instructor in mathematics.

Ronald Lundquist, who worked as a teacher and counselor in Tacoma Public Schools from 1958-68, as counselor.

William Muse, who taught 10 years at Stadium High School, as biology instructor.

Skagen Gains Appointment

Morris W. Skagen, head librarian at TCC, has been appointed to the Data Processing Advisory Committee of the State Board for Community College Education.

Dr. A. A. Canfield, state director of community colleges, announced the appointment. He said potential benefits of a state-wide data processing system include:

More rapid and accurate student registration.

A central reference library that could link each college library with information sources from throughout the nation, providing students at each school with quick access to an almost unlimited supply of reference material.
