

Monday, April 11, 1977

Vol. XII, No. 29

ADVISERS, PLEASE NOTE:

FRIDAY IS DEADLINE FOR
APPLICATIONS FOR GRADUATION

Friday, April 15, is the deadline for Associate degree and high school completion applications for graduation in June.

Please advise students of this deadline so they can participate in commencement exercises.

Associate degree applications are submitted to the Admissions Office, Bldg. 2. High school completion applications should be submitted to the Counseling Center, Bldg. 1.

CLASSIFIED STAFF MEETING

FRIDAY, APRIL 15

The classified staff meeting for spring quarter 1977 has been scheduled for 3:00 p.m. Friday, April 15, in Bldg. 12-1. An agenda will be available at the meeting.

Each classified employee is encouraged to attend.

LAC COMMITTEE SETS MEETING

The Learning Assistance Committee will meet on Tuesday, April 12, at 2:30 p.m. in the Binns Room.

Members who met on April 5 suggested the following strategy for developing goals: Each member come to the meeting with a list of long and short range goals prepared as follows:

1. Use the attached list of suggested priorities, but feel free to omit, add or revise items.
2. By category (screening and advisement, curriculum, etc.), make separate lists of short range goals and long range goals.
3. Include in short range goals only those items that require no additional funding.
4. Assign priorities to long range goals.

Members should come prepared, if possible. Another meeting is scheduled for April 19.

May 3 a tentative meeting has been scheduled with Ed Zimmerman in Bldg. 19 for an overview of the instructional potential of our computer terminal and the programs it can access. He will also explain the RSVP system on loan from Miami Dade.

TCC PEOPLE, PLACES AND FACES

KEN GENTILI explained TCC's new engineering program to the executive board of the Tacoma Chapter of the Washington Society of Professional Engineers.

* * *

TIMOTHY BYRON KEELY was recently presented with a valuable and useful piece of biology teaching equipment as a gift from Dr. A. H. Sobul, Federal Way. The portable electro-cardiograph will be used in anatomy and physiology classes.

IN THE CAFETERIA, SPRING

THINGS ARE COOKING

Monday, April 11--Bowl of beef stew, tossed salad and roll...\$1.19.

Tuesday, April 12--Baked Swiss steak, mashed potatoes, tossed green salad and roll...\$1.29.

Wednesday, April 13--Italian-style spaghetti, tossed salad and roll...\$1.14.

Thursday, April 14--Turkey ala king on biscuit with vegetable...\$1.19.

Friday, April 15--Baked tuna and noodles, vegetable and roll...\$1.14.

BOOKSTORE SCHEDULE FOR WEEK

The bookstore will be open Monday through Friday from 7:45 a.m. to 4 p.m., and Tuesday and Wednesday evenings from 6:30 to 8:30 p.m.

TEACHING OF ESL SEMINAR

p.2

AT TCC WEDNESDAY, APRIL 20

A one-day workshop/seminar in the teaching of English as a Second Language will be held at TCC Wednesday, April 20, from 8:45 a.m. to 4 p.m. in the Library Conference Room, Bldg. 1.

The workshop is designed for teachers of high school and adult students who are learning English as their second language.

Leading the workshop will be John F. Tuttlebee, who received his B.A. from the University of Toronto and his M.A. from the New School of Social Research. He is presently an assistant professor of English as a Second Second Language at the American Language Institute and is a coordinator of the Institute's evening school. Tuttlebee is a member of the Instructional Skills Center, New York.

For complete information and reservation forms contact Lloyd Berntson at Ext. 5065. Registration fee of \$35 includes all materials used in the session.

PLU REPRESENTATIVE TO VISIT

TCC THIS WEEK AND IN MAY

A representative from Pacific Lutheran University will visit the campus and meet with students in the lobby of the library Thursday, April 14, and Thursday, April 28.

In May, the representative will be on campus on the 12th and 26th.

Hours of the visits are from 10 a.m. to 1 p.m.

* * *

WANTED: Two and one-half inch leaf rear springs for the geology trailer. Anyone who knows where such rare auto springs can be found or purchased contact Jack Hyde at 5059 or William Baldwin at 5172.

* * *

FRANK WITT recently presented a talk to the fifth grade students at Sunset Elementary School on insects.

ONE-DAY TEACHER TRAINING IN READING AND STUDY SKILLS WORKSHOP AT TCC APRIL 20

A one-day teacher training workshop in the effective teaching of reading and study skills has been set for Wednesday, April 20, at TCC.

The session will be from 8:45 a.m. to 3 p.m. in the John Binns Room.

Leading the workshop will be Jerry Berg, M.Ed., University of Oregon, emphasis in reading diagnosis and remediation and member of the Western College and International Reading Association.

For complete information and reservation forms contact Lloyd Berntson at Ext. 5065. Registration fee of \$35 includes all materials which are used.

Berg is a member of the instructional staff of College Skills Center, New York.

VOLLEYBALL MATCH SET

The Phi Theta Kappa, TCC chapter, will be competing against the faculty in a volleyball match set for April 19 from 1:30 to 3:30 p.m. in the TCC Gym.

COMEDY FILM FESTIVAL PLANNED

Starting Wednesday, April 13, through April 16, there will be a comedy film festival on campus.

Films include features by Laurel and Hardy, Charlie Chaplin, Abbott and Costello and other comedy "greats."

The Schedule for the week is:

Wednesday, April 13--Abbott and Costello Meet the Monsters, Circus Slicker and Music Box. Showtimes at 2:30 p.m. and 9:30 p.m.

Thursday, April 14--Tillie's Punctured Romance, 2:30 p.m. and 9:30 p.m.

Friday, April 15--Marx Brothers Mosaic, Charlie Chaplin Mosaic, 2:30 p.m., 9:30 p.m. and midnight.

Saturday, April 16--Great McGonigle Rink and Pay Day, 2:30 p.m., 9:30 p.m. midnight.

FIRST AID MEETING PLANNED

On Monday, April 11, at 2 p.m. a meeting is scheduled in the library conference room for classified staff persons who are interested in taking first aid instructions.

It is recommended that one classified staff member be identified from each unit and/or building as a representative to attend the meeting which is scheduled to last one-half hour.

FRIENDS OF THE TCC LIBRARY

SET MEETING FOR APRIL 21

The next meeting of the Friends of the TCC Library has been set for Thursday, April 21, at 4 p.m.

Agenda items include the selection of the date and site for the annual dinner meeting, selection of the speaker, selection of the award recipient, and final plans for the used book sale.

UPS FLEA MARKET SET

Sixty-five booths of exciting merchandise at bargain prices will be featured in the University of Puget Sound Fieldhouse Saturday, April 23, from 10 a.m. until 6 p.m., when the UPS Women's League sponsors its annual Flea Market. Tickets are 50¢ and may be purchased at the door.

UPS CHOIR TO PERFORM

The University of Puget Sound Adelpian Concert Choir, under the direction of Dr. Bruce Rodgers, completes a tour of the West Coast Friday, April 15, when it will present its 45th annual home concert at 8:15 p.m. in Tacoma's First United Methodist Church.

Tickets for the event are \$2 and may be obtained at the door or by contacting the School of Music office at 756-3253.

"WORKING WITH FAMILIES IN

CRISIS" WORKSHOP SET

A two day workshop designed for mental health workers in various disciplines who work with families experiencing severe stress is set for May 12 and 13, from 9 a.m. to 4:30 p.m. at the University of Washington.

Fee is \$50. Further information on this workshop is posted on the bulletin boards in the faculty buildings. Contact The Office of Short Courses and Conferences, University of Washington DW-50, Seattle, WA 98195; telephone 543-9233 or SCAN 323-9233.

SPEAKER TO TALK ABOUT

RETIREMENT SYSTEMS

A representative of the Washington Public Employees Retirement Systems will be at TCC Monday, April 18 in the Binns Room at 3 p.m. He will be explaining facets of the retirement system for classified personnel.

His presentation will last for one-half hour, following which he will be on hand for private consultation.

All interested classified personnel are welcome to attend the session which is sponsored by the TCC/WFSE Education and Training Committee.

NCCR QUALIFIES FOR "INC."

STATUS

As a result of legal action on November 9, 1976, the National Council for Community Relations is now National Council for Community Relations, Inc.

The Council has received its official articles of incorporation from the District of Columbia, establishing NCCR as a non-profit, non-stock corporation.

According to the articles, the purposes of NCCR, Inc., are: "To research, analyze, disseminate and present information relevant to community relations in two-year colleges in order to guide and advise the public, appropriate professionals and others connected with these matters."

STATE OF WASHINGTON

state BOARD for community college education

March 28, 1977

319 Seventh Avenue
Olympia, Washington 98504John C. Mundt
DirectorRichard Montecucco
Assistant Attorney General
Office of the Attorney General
Olympia, Washington

Dear Rich:

The Seattle Regional Office of the Veterans Administration has informally notified our community colleges of its intent to implement DVB Circular 20-77-16 (attached). That Washington, D.C. directive, dated February 9, 1977 and titled "Measurement For Payment Purposes" states in part "In no case will a course be measured as full time when less than...12 standard class sessions per week...are required." The effective date is October 26, 1976 and "where applicable, overpayments would be created from the beginning of such terms and school liability considered."

We have been informed by the regional office that they interpret the directive to mean that veterans may only be paid for actual in-class time. Our colleges teach students by the "traditional in-class" method but also employ extensive use of contracted learning, seminar courses, independent study, conference courses and cooperative education. The V.A. regulation if implemented would penalize veterans who enroll in courses taught by those alternate approaches.

The community college presidents consider DVB Circular 20-77-16 implementing V.A. Regulation 14272 (D) to be an unjustified and improper intrusion into the educational practices of their colleges. It is at their urging that I request your advice and assistance in seeking court action to prohibit the implementation of V.A. Regulation 14272 (D).

Should you advise that court action is appropriate, we will also need your opinion of the advisability of pursuing a SBCCE suit on behalf of the community college system as opposed to individual suits by each college.

The V.A. regional office has simply mailed the circular to the colleges without a cover memo detailing their plans for enforcement. Also attached are proposed rules as contained in the April 5, 1976 Federal Register which may have been the basis for the V.A. circular.

Your assistance in this matter will be greatly appreciated. If implemented, this regulation would do serious harm to the educational opportunities of student veterans. I plan to discuss this issue with the SBCCE at their March 31 meeting and, if possible, would like your advice at or before that meeting.

Thank you for your assistance.

Sincerely,

John C. Mundt
DirectorJCM/HH:sw

Old Business

1. Course Modification: Banking & Finance 148 (1 cr/1 lec/0 lab) Credit Change: from 1 to 2 credits.
2. New Course Adoption: Banking & Finance 111 (3 cr/3 lec/0 lab) Negotiable Instruments and the Payments Mechanism; To be offered Winter Quarter; Associate Degree Distribution: Other
3. New Course Adoption: Banking & Finance 186 (3 cr/3 lec/0 lab) Commercial Banking; To be offered Winter Quarter; Associate Degree Distribution: Other

MOTION: It was moved by Jack Heinrick and seconded by Paul Michaels that the course modification for Banking & Finance 148 be approved, and that Banking & Finance 111 and Banking & Finance 186 be approved for introduction into the curriculum. The motion carried unanimously.

4. Course Modification: Biology 100 - Basic Ecology (5 cr/4 lec/2 lab) Number change from: Biology 100 to Biology 105 - Necessary due to redesign of General Biology Course.
5. Course Modification: Biology 101 - General Biology (5 cr/4 lec/2 lab) Number and Title Change: From Biology 101 - General Biology to Biology 100 - Introduction to Biology. The course is redesigned as an introduction for non-majors.
6. New Course Adoption: Biology 101 - General Biology (5 cr/3 lec/4 lab) To be offered Fall Quarter. Associate Degree Distribution: Math/Science.

MOTION: It was moved by Doreen Amoroso and seconded by Bob Thornburg that the course modifications for Biology 100 and 101 be approved, and that the new course proposal for Biology 101 be adopted into the college curriculum. The motion carried unanimously.

(Jack Hyde explained that the above changes were due to a renumbering of the system with an introduction for majors starting with Biology 101. He said the problems with the Allied Health Division had been resolved.)

7. New Course Adoption: Oceanography 103* - Life in the Ocean (5 cr/3 lec/4 lab) To be offered Spring Quarter; Associate Degree Distribution: Math/Science; Prerequisite: Oceanography 101 or Biology 100 or Biology 101 or permission of instructor.

MOTION: It was moved by Bill Wittenfeld and seconded by Bill Muse that Oceanography 103* be approved by the Curriculum Committee. The motion carried unanimously.

8. New Course Adoption: Music 170/270* - Swing Choir (3 cr/0 lec/6 lab). To be offered Fall, Winter, Spring Quarters; Associate Degree Distribution: Humanities

MOTION: It was moved by Harland Malyon and seconded by Paul Michaels that Music 170/270* be approved for introduction into the college curriculum.

AMENDMENT TO THE MAIN MOTION: It was moved by Harland Malyon and seconded by Jack Heinrich to amend the motion for Music 170/270* to read that a limitation of 9 credits apply to the Humanities distribution for Associate degree requirements.

AMENDMENT TO THE AMENDMENT: It was moved by Ed McNeal and seconded by Harland Malyon that the amendment to the main motion be changed to read 10 credits rather than 9 credits for Music 170/270*.

The amended amendment passed unanimously; the amendment to the main motion passed 7 ayes; 5 nays; the main motion as amended passed unanimously.

9. New Course Adoption: History 94 - Washington State History (5 cr/5 lec/0 lab) To be offered Fall, Winter, Spring Quarter; Associate Degree Distribution: Social Science

MOTION: It was moved by Jack Heinrich and seconded by Jack Hyde that History 94 be approved for adoption. (It was noted that this course is a requirement for high school completion.) The motion carried unanimously.

New Business

1. Pilot & Experimental Course: Biology 198 - Our Undersea Frontier (3 cr/3 lec) To be offered Spring Quarter; Distribution: Math/Science

Dr. Ronald Magden explained the new Biology 198 pilot and experimental course. Information has been disseminated to teachers in the Tacoma and Clover Park school districts. Dr. Magden also mentioned that as part of the class the ASB Program Board has contracted Jim McDonald, a member of the Jacques Cousteau team, to speak on campus. Class activity is being coordinated by Dick Perkins. The 3-hour course will consist of slides/film/lecture/discussion/field trips and will run from April 20-30.

MOTION: It was moved by Lloyd Berntson and seconded by Harland Malyon that Biology 198 be approved by the Curriculum Committee. The motion carried unanimously.

2. Course Modification: Biology 205 - Change of Number, Title, Credits - To: Biology 120 - Genetics (5 cr/5 lec) From: Human Genetics (3 cr/3 lec/0 lab)

Dr. Jack Hyde explained that this course, which has not been offered recently, was formerly taught in conjunction with the University of Washington and dual credit was awarded. Dr. Hyde said he would check to see if this practice is still feasible. Concern was expressed that no prerequisite was necessary. Bill Muse explained that the course is for non-majors and is intended for an introduction to the basic concepts of genetics.

3. New Course: Engineering 220 - Introduction to Mechanics of Materials (4 cr/3 lec/2 discussion) Prerequisite: Engineering 180; Distribution: Math/Science
 4. New Course: Engineering 299 - Independent Study (Variable Credits 1-5)
 5. New Course: Physics 299 - Independent Study (Variable Credits 1-5)

Ken Gentili explained the need for Engineering 299 and Physics 299 for students who have projects that go beyond the regular sequential classes in each discipline. Mr. Gentili also explained that Engineering 220 is offered at the University of Washington at the sophomore level and is necessary at TCC for the engineering program.

6. New Course: Math 94 - Basic Voc.Tech. Math I (Variable 1-3 Cr.) Prerequisite: Math 86
 7. New Course: Math 95 - Basic Voc.Tech. Math II (Variable 1-2 Cr.) Prerequisite: Math 94

Bill Wittenfeld said that the two new proposed courses are in the vocational math area and would draw clientele from on campus and the vocational schools in the area. He explained the need by students going into vocational programs without enough mathematics background for their apprenticeship work. He said the courses would be developed to fit various areas.

- 8. Course Modification: FROM: Study Skills 45 to English 83 - Vocabulary Development; to place the course in the proper sequence of the English 80 series.
- 9. Course Modification: FROM: Study Skills 46 to English 84 - Spelling Review; to place the course in the proper sequence in the English 80 series.
- 10. Course Modification: FROM: Study Skills 41 to Reading Skills 80. Reason: The emphasis in Study Skills 41 is on reading. Also, this change will place all developmental workshop courses in the 80 numbering system.
- 11. Course Modification: Number Change: FROM: Study Skills 47 to Study Skills 80 - Library Orientation. Reason: To place developmental workshop courses in the 80 numbering system.

Lloyd Berntson explained that the course modifications requested are "housekeeping" items and move developmental courses into the numbering series utilized for the developmental courses.

- 12. Course Modification: Title Change: Women's Studies 100 FROM: What About Woman? TO: Assertiveness Training.

Dr. Ronald Magden explained that the title is to better describe the content of the class and to encourage male enrollment.

Other

- 1. Task Force to Study Associate Degree Requirements

Ed McNeal expressed concern that there should be a maximum number of courses in the 90's that would apply toward the Liberal Arts degree. A task force will be assigned to research the Associate degree requirements at TCC and other institutions. Information from the task force's work will be taken to the full faculty.

- 2. Department Chairman Elections

Dr. Rhule reminded the members that names of elected department chairmen are due in May for recommendation to the president.

- 3. FTE Count

Dr. Rhule announced that the FTE count for spring quarter is now at 3,085.

There being no further business, the meeting was adjourned at 3:45 p.m. The next meeting of the Curriculum Committee will be held on Wednesday, April 13, at 2:45 p.m. in Bldg. 1-12.

**TACOMA COMMUNITY COLLEGE
ADMINISTRATIVE SERVICES**

MEMORANDUM

DATE: April 7, 1977

FROM: Carl R. Brown, Dean of Administrative Services *CRB*

SUBJECT: NOTICE OF INTENTION TO ADOPT RULES
 A. Parking and Traffic Rules and Regulations
 B. State Environment Policy Act

At its regular board meeting on April 28, 1977 at 2:00 p.m. in the John Binns Room of the College, the Board of Trustees of Community College District 22 is being requested to adopt rules concerning the topics listed above. RCW 28B.19, Higher Education Administrative Procedures Act, requires that a twenty (20) day advance notice of intent to adopt be filed with the Code Reviser and also mailed to all persons who have made timely requests for advance notice of the College's rule-making proceedings. The attached documents are the advance notices for two sets of mandatory rules.

Please review the advance notices and the chapters being submitted to the Code Reviser for codification.

FIT DIVISION OF CONTINUING

EDUCATION OFFERS FASHION

WORKSHOP

The Fashion Institute of Technology offers a workshop in fashion merchandising to be held June 13-30 at the institute, 227 West 27th Street, New York, NY 10001. Contact Stephanie Farrar at F.I.T., (212) 760-7662.

CANADIAN-U.S. COMMUNITY COLLEGE

EXCHANGE PLANNED

AACJC has announced a Canadian-U.S. community college exchange for students, faculty and administrators.

The Association of Canadian Community Colleges and the American Association of Community and Junior Colleges International/Intercultural Consortium serve as intermediaries. They maintain a data bank from which they decide which institutions are interested in exchanges and suggest contact between them.

The program is most effective when exchange includes students, faculty and staff with full institutional cooperation.

Normally, exchange students should be in the second year of enrollment, although exceptions may be made.

Further information is available in the president's office, Bldg. 5.

WSU OFFERS TEACHING ESL COURSE

AT BELLEVUE COMMUNITY COLLEGE

Washington State University is offering English As A Second Language Teaching Methods as Education 498 at Bellevue Community College. Bldg. A, Room 208, 3000 - 145th Pl. S.E., Bellevue.

Classes are Fridays from 6 to 10 p.m., and Saturdays from 9 a.m. to 12 noon, April 22 and 23; May 6 and 7 and May 20 and 21.

The first two sessions include a presentation of commercially available materials and discussion of processes for evaluation of these and other materials.

May 6 and 7, design and preparation of teacher-made materials will be discussed.

May 20 and 21 will cover presentation, evaluation and sharing of instructional materials developed by course participants.

Credit is two semester hours.

Letter grade, pass-fail and non-credit enrollment options are available.

Formal admission to WSU is not necessary to enroll in this class.

For enrollment forms and additional information contact the Office of Continuing University Studies, WSU, Pullman, WA 99164; telephone (509) 335-3557.

STUDENTS TO TAKE FIELD TRIPS

TCC students this spring will be touring the area studying flowers, beaches and volcanic rock.

Three spring quarter science courses feature field trips which will turn the Pacific Northwest into a giant classroom for those enrolled in marine biology, taxonomy of flowering plants or glaciers and volcanoes of the Northwest.

Frank Witt, instructor of the marine biology class, will take his students on tours of local beaches to study intertidal plants, animals and their environment. He will also take his students to see local flowering plants as they grow in their own setting.

Jack Hyde will be taking students studying volcanic action to sites which will illustrate facts and trends about the potential of an ice age and the action of Mt. Rainier.

UW SETS SUMMER QUARTER

Closing date for summer quarter registration at the University of Washington is May 15. Late registrants may register for summer only on June 15 and pay \$15.

For further information contact the University of Washington, Office of Summer Quarter, 103 Lewis Hall, DW-40, Seattle, WA 98195; telephone (206) 543-2320.

FORUM ON BODY WEIGHT PLUS

ANNUAL SLIM FAIR SET

The annual forum on body weight has been set for Tuesday, April 26, Monday, May 2, and Tuesday, May 10, at the Pacific Science Center in the Eames Theater.

The weekend slim fair will be held May 14 and 15 in the same location.

The forum is from 7:30 to 10 p.m. nightly and the forum is from 10 a.m. to 6 p.m. both days.

For further information contact Madeleine Robertson, conference coordinator, (206) 633-0505.

PAINTINGS ON DISPLAY IN THE LIBRARY

Paintings by Dona McPhillips will be on display in the library from Thursday, April 14 through April 30.

Title of the exhibit is "Historical Americans."

They have been shown in the reception room of the State Capitol and were at the opening of Sea-Tac Mall.

The work is the result of four years work. There are nine paintings altogether in multiple portraits.
