Frosh Welcome Dance Scheduled for Saturday Night

GEORGE WASHINGTON AND THE CHERRY BOMBS

To start the second great season of T.C.C. of with a bang, a "WELCOME FRESHMAN" mixer has been scheduled for October 1. With the Bayview Room of the Winthrop Hotel as the site, the dance will be held from 8:00-11:00 p.m. Dress will be informal.

"GEORGE WASHINGTON and the Cherry Bombs" will provide the entertainment. The group is best known for its recent record, "Brother Ward." Pat O'Day sponsored, "George and the Bombs are presently planning to release a single in the near future. The band is composed of leader Mike Adams, Al Wilcox, Mark Chellson, Ward Johnson, and a mystery member (wouldst thou believe Martha?) The have made appearances in the Tacoma, Bremerton, and Olympia areas. To quote ASB Prexy, Mike Fuller, "George and the Bombs are a blast."

A.S.B.-SPONSORED, the dance is FREE to holders of Student Identification Cards. This same card allows for the admission of one guest. Invitations are being sent to all faculty and staff members.

The A.S.B. officers and representatives, with the aid of Erla Kately on publicity, have organized the entire dance. With such capable individuals as Mike Fuller at the refreshment stand, A.S.B. Secretary, Chris Colyar, in the coatroom, and A.S.B. Veep, Dan Birnel, at the door, there should be no fear of anyone rocking (how about rolling) the boat.

Summers Will Direct Scenes

TWO ALL-CAMPUS PLAYS, the possibility of a Campus Players group, and participation in a city-wide, three-day Shakespearean workshop — all these are a part of the Tacoma Community College drama program's second year in existence.

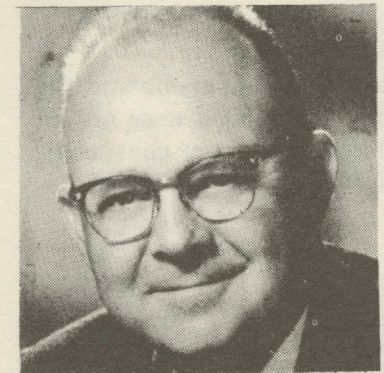

Morris Summers, drama program advisor, plans to present two plays this school year — the first during the winter quarter and the

second in the spring. The spring production will hopefully be a musical. Mr. Summers stressed the point that all students on campus are welcome to try out for both productions.

AT THE PRESENT time there is no full-fledged "drama club" on campus. The drama program is, however, a recognized organization with Mr. Summers as official advisor and a student dramatic manager who acts as the organization's representative. There is the possibility of organizing a Campus Players group this year, provided student interest and enthusiasm is sufficient.

Dr. Angus Bowmer, founder-director of the world-famous Shakespearean Festival in Ashland, Oregon, will be in Tacoma October 6, 7, and 8 to conduct a Shakespearean workshop. He will also perform two roles which he has made famous. TCC was fortunate enough to be included not only in the workshop but also in the performance — Mr. Summers was chosen to direct Dr. Bowmer, supported by local residents, in four scenes from "A Midsummer Night's Dream."

Two scenes from "The Merchant of Venice" will also be presented, with Dr. Bowmer again taking the leading role. Tickets are available from Mr. Summers — donation: adults, \$2.25; students, \$1.00.

MORRIS SUMMERS

FRIDAY, OCTOBER 7 at 11 a. m., Dr. Bowmer will give a lecture on the TCC campus to which all interested parties are invited. That afternoon a Shakespeare Workshop will be held at UPS. Although TCC will not be entering a scene for critical analysis, the drama classes will attend just to observe. Anyone with a free afternoon is invited to join them.

As part of their registration, some 300 students will receive a card from the college Health office telling them that one or more things are missing from the Health Report. Among the things necessary for registration at Tacoma Community College are chest X-rays and immunizations for diphtheria, tetanus, smallpox and polio.

Students Need Shots, X-Rays

As part of their registration, some 300 students will receive a card from the college Health office telling them that one or more things are missing from the Health Report. Among the things necessary for registration at Tacoma Community College are chest X-rays and immunizations for diphtheria, tetanus, smallpox and polio.

CHEST X-RAYS and immunizations may be obtained from a private physician or at the Tacoma-Pierce County Health Dept., 6th Floor, County-City Bldg. The Health Dept. Immunization Clinic is open Monday through Friday 9 to 11 a.m. and 1 to 4 p.m.

A negative report from a chest X-ray or skin test for tuberculosis is required from all students at T.C.C.

IMMUNIZATIONS for diphtheria, tetanus, smallpox and polio are required of all full-time students of T.C.C. and must have been within the past five years.

AWS Announces Giant Plans For Social Calendar of '66-'67

Last spring marked the beginning of a new organization at Tacoma Community College — the Associated Women Students. It is one of the largest clubs on campus, second only to the Associated Student Body in membership. Every woman student becomes a member upon entrance at T.C.C. Its officers and advisor, Mrs. Doris Bennett, have been organizing and planning through the summer to make this club a valuable one.

THE CABINET MEMBERS elected to office last spring are Marianne Carroll, president; Paulette Bridges, secretary; Lori Schnetzler, treasurer; Barbara Royse, publicity chairman; Anita Taylor, social chairman; Jan Balding, student-faculty relations chairman; and Nora Callaghan and Janice Ramsdell, sophomore representatives. To guide and supervise the growth of the club, Mrs. Bennett will call on her experience with the A.W.S. at the University of Puget Sound.

The purpose of A.W.S. is to create a bond of friendliness and spirit of cooperation among all women students as a whole. The organization hopes to cultivate scholarship and service, and to maintain personal high ideals of each member.

A.W.S. HAS PLANNED many social functions to help integrate women students into college life. It will begin the year with the Athena-Deb Welcome Hour on Wednesday, Sept. 28, between 12:00 and 1:00 p.m. To help create a better student-faculty relationship, A.W.S. has planned a tea where Freshman students and teachers may become better acquainted in an informal atmosphere. A fashion show, presenting styles worn on campus and other occasions, has also been planned. Other social events include both an informal and formal dance. These activities have been planned to unify the students of the college and create an atmosphere of friendliness.

All members of A.W.S. are invited to attend the meetings of the cabinet on the first and third Tuesday of every month at noon.

Jobs Are Available

If anyone is in need of a job, there are a number of them available through the office of financial aids.

Interested students should check the bulletin board in the cafeteria for information, or see Mr. Thyden, the College Financial Aids Officer.

EDITORIAL POLICY

Editorial policy for the Tacoma Community College student newspaper includes the following:

1. Since the editor-in-chief is held responsible to the students through the student government for all material printed in the student newspaper, it shall be his prerogative to form the editorial policies of the paper and to change when he deems it necessary.
2. Letters to the editor are encouraged and should be submitted to the student newspaper office, room 18-2. They should be typewritten. As a general policy, only letters which are signed will be printed. It will be the prerogative of the editorial staff to exclude any letters.
3. Editorials will deal with topics of student interest.
4. Guest editorials will be published occasionally and will deal with any topic. Authors of guest editorials will not be exclusively students of this college. Guest editorials will be solicited by the editor-in-chief.
5. Since it is neither the purpose, nor the desire, of the student newspaper to be a publication representative of the journalism staff exclusively, all student and faculty suggestions for both news articles and features are welcome. Suggestions from students should be submitted to the editor-in-chief or a member of the staff. Suggestions from the faculty should be submitted to the faculty advisor, Monty B. Jones.
6. Creative writings will be included in the student newspaper. They are limited to students of Tacoma Community College. Creative writing proposed for publication must be submitted to the feature editor and will be published at the discretion of the editorial staff.

New Books Get Full Refund

The college bookstore has released a policy designed to aid the student who might wish to sell books.

UNTIL TWO WEEKS after the beginning of the quarter, the entire purchase price will be refunded if (a) the book is in new condition, (b) a cash register receipt, drop slip, or withdrawal slip is presented. If a book is written in, 75 percent of the purchase price will be refunded.

After two weeks, but until mid-term, 60 percent of the purchase price will be refunded if the book is in resalable condition and a drop or withdrawal slip is presented.

AFTER MID-TERM all book purchasing will be done by the book buyer at the close of the quarter. For students withdrawing from Tacoma Community College 50 percent of the purchase price will be refunded.

President Extends Welcome

Dear Students:

Welcome to Tacoma Community College. This fall term will usher in the largest college enrollment in the history of our nation. Entering community college students repre-

sent about one-half of all students beginning their college careers in the State of Washington this year.

PROGRESS IN CONSTRUCTION and landscaping of our campus will continue throughout the entire year. The physical education building and the fine arts building are scheduled for completion by early spring. The remaining six buildings including our library-resource center and the student government offices should be ready for occupancy by next summer.

Much more important are the challenges ahead of you as you embark upon your year of study, discussion and thoughtful investigation of the personal, social, and academic world of the college student. Your service to the institution through the many student activities and organizations coupled with the college's service to you in the library, classrooms, conferences and laboratories make up a splendid combination for progress.

MAY I EXTEND to each of you my sincere best wishes for a successful year

THORTON M. FORD
President

Dear Advertisers

AS A NEW ADDITION to its regular format, the Collegiate Challenge will introduce advertising this year. Contrary to policies followed by other college and high school papers in the area, the Collegiate Challenge will not solicit advertising.

Advertising, however, can be arranged for by calling SK 2-6641, extension 78. Business Manager, Shirley Coleman, will be happy to assist in the preparation of advertising copy.

Our newspaper is printed by photographic offset. Therefore, we are able to make up advertisements using any material that can be photographed (which is almost anything!!!)

FOLLOWING IS THE advertising policy for the Collegiate Challenge:

Rates: \$1.50 per column inch; 5% discount on ads ordered for an entire quarter. Decisions on acceptance of submitted advertising will be up to the editorial staff of the Collegiate Challenge. Decisions will be based on suitability of advertising submitted and advertising capacity of the paper. No liquor or tobacco ads will be accepted.

Freshman Tells of Registration Woes

(Editor's note: Maryalis Clausen is an incoming freshman at T.C.C. In this article, she describes her feelings as she struggled through the tedious tasks of registration.)

By MARYALIS

What is the noisy uproar? Roll over—ignore it! No use. Gone are those carefree days of summer snoozing hours.

Freshmen, arise for registration day!

BUT WAIT. Where is the location of this institution of higher learning. How far is it from East Spanaway?

Miracle! We arrive at last! Chaos reigns in building fifteen (or was it building ten). Hundreds of dotted lines must be filled in—with ink. Students possessing pens sit in triumph while pencil users rush to borrow this precious item.

HOW EMBARRASSING it is to forget one's own social security number. Finally all forms are filled. Now to find building seventeen. (What was that advisor's name?)

Three Cheers!

ACTIVITIES CLUB FORMS

Students who are interested in participating in the Activities Club will meet in Building 7, Room 5, on October 4, at 10 a.m.

GUEST SPEAKERS will include Mr. Marcowitz, Club Advisor; Mr. Heinrick, head of T.C.C.'s Athletic Department, and Mrs. Palo, who will be Advisor to the Pep Staff.

The objective of the first meeting will be to familiarize students with the club's future plans throughout the academic year, and to organize a constitutional committee.

THE ACTIVITIES COMMITTEE will be responsible for promoting more social activities, such as dances, ski trips, campus day and various other functions that will aid in building school spirit and enthusiasm for the students.

The advisors who will be present will give their ideas to the students, and the students' upcoming ideas will be co-ordinated and

worked out accordingly.

THE STUDENTS WILL GAIN experience in school and group participating and help to promote academic scholarship and social functions, as well.

AFR Has Openings

Positions are now available in two Air Force Reserve Squadrons for both non-prior service and prior-servicemen in Aircraft Maintenance, Air Freight, Passenger Service, Supply and Air Operations. Squadrons train one weekend per month plus a two-week summer encampment, with pay.

FOR FURTHER INFORMATION call JU 8-2121, McChord Air Force Base, Ext. 2708 or 2809, or contact either the 11th or 13th Military Air-lift Support Squadron (Mobile En-route) or the Reserve Building No. 1425, McChord AFB.

Wait, wait, wait . . . endless waiting. Could this be the wrong building? Self-confidence dwindles away and three o'clock rolls around.

Joy! At last a weary secretary leads the way to a small office stacked high with French books. (Could this handsome young man really be an advisor?) Soon a debate rages over the merits of Zoology versus Anthropology.

With smudged and crumpled schedule gripped firmly in both hands, one races wildly to pay tuition fees. Upon a breathless arrival, one finds heart-breaking news. The office is closed until next Monday.

IT WAS A STRUGGLE to hold back the tears, but then how many new challenges await the unwary freshman, such as locating the bookstore or finding one's way around it in the library.

Help! Now which street leads towards home?

VA Announces Ed. Procedures

The Veterans Administration is currently participating in an all-out saturation campaign to acquaint every veteran-student with all details of the new G.I. Bill payment procedures of the education program.

THE VA CAUTIONS that the veteran going to school should be prepared to pay his expenses for at least two months.

The law requires that monthly certificates of attendance signed by veterans be sent to the VA attesting the veteran has attended classes. Necessarily, these certificates can be sent only after a month's schooling is completed. On the 20th of the following month, VA mails the payment checks. Proper and prompt sending of these certificates will eliminate delays.

ALLOWANCES ARE:

Monthly Payments Available to Veterans

INSTITUTIONAL

Type of Program	No Dependents	One Dependent	Two or More Dependents
Full-Time	\$100	\$125	\$150
Three-Quarter Time	75	95	115
Half Time	50	65	75

LESS THAN HALF TIME

Rate of established charges for tuition and fees, not to exceed \$50 if more than 1/4 time; not to exceed \$25 if one-fourth time or less.

WHILE ON ACTIVE DUTY

Rate of established charges for tuition and fees, or \$100 per month for a full-time course, whichever is less. No allowance for dependents.

CORRESPONDENCE

Cost only.

Full-time training courses are 14 semester hours, or the equivalent.

THREE-QUARTER TIME equals 10 to 13 hours. Half-time is 7 to 9 semester hours.

When the course is of less than a regular semester, such as summer school, the 14-hour standard is used or the equivalent in class plus laboratory, fieldwork, research or other types of prescribed activity.

CORRESPONDENCE COURSE allowances will be computed on what non-veterans pay for the same courses. These allowances will be paid quarterly on the basis of established charges for lessons completed and serviced by schools.

Outside work is not the interest of VA. Money or wages from such outside work is entirely the veteran-student's business.

Tryouts Set

The announcement that Tacoma Community College will have a basketball team this year has brought about the need for cheerleaders.

All sophomores who achieved a 2.2 grade point average spring quarter of their freshman year are eligible.

Students trying out for the Pep Staff must gain the signature of their advisor in approval and must sign a contract signifying their responsibilities and duties if elected to the position.

Tryouts have been unofficially set for the week of October 24. All interested students should attend the meetings scheduled for Tuesday and Wednesday, October 4 and 5, at 12 noon in room 7-1.

Girls trying out should prepare one song routine to "When the Saints Come Marching In" and two yell routines of their choice. Boys should prepare to yell routines of their choice.

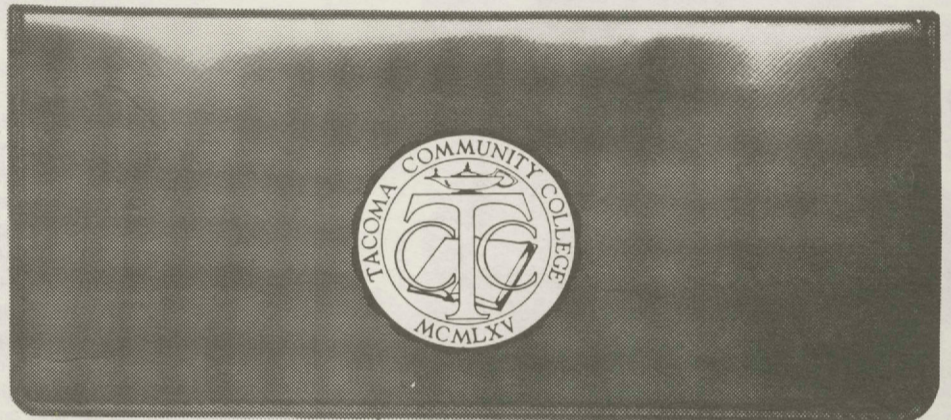

Artist & Lecture Presents Movies

The Artist and Lecture Series at T.C.C. will be getting under way soon. The program this year will include a number of movies, beginning with "The Five Thousand Fingers of Doctor T" on October 12. Showings will be on Wednesdays at 3 p.m. and at 7:30 p.m. in T.C.C. lecture halls. Admission will be free to students of T.C.C. and non-students will be admitted to the evening programs for 50 cents.

Other movies scheduled are:

"The Bicycle Thief"	October 19
"Bitter Rice"	October 26
"On the Waterfront"	November 2
"Picnic"	November 9
"Mein Kampf"	November 16
"Raisin in the Sun"	November 30
"Suddenly, Last Summer"	December 7

Additional short subjects are also scheduled to be shown along with the movies.
